

Condo *del Sol* 202

As soon as you enter the residence you will be drawn to the vast open blue ocean views and beautiful architecture.

Del Sol-202 residence is spacious, boasts luxury finishes throughout, a covered terrace and panoramic views spanning the Sea of Cortez all the way to Palmilla Point.

The Phase II condos are quiet and the owners enjoy common areas that includes a large infinity pool and jacuzzi, palapa bar, fire pit, and barbecue. From Del Sol you are only 2 minutes walking to a pristine beach with easy access.

The area of La Laguna (in my opinion if we are using the name of the area as a whole the article that goes with it, should also be with the capital letter) is perfect for someone looking for tranquility and a beautiful beachfront location just outside of town.
